MEMORANDUM FOR DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT : Proposed Amendments to DCIDs

REFERENCE: USIB-D-5.1/1, dated 7 September 1962

1. DD/I, DD/P, and DD/P concur in the proposed changes in DCIDs as set forth in [ ] memorandum for the USIB with one minor technical exception. This minor exception would delete the requirement for mandatory membership of the Joint Staff in the Economic Intelligence Committee (DCID 3/1). The Joint Staff has not been active in EIC affairs for some time and the DD/I sees no reason to change this situation.

2. DD/P feels strongly that he would like to consider carefully and might well object to any proposed change in the wording proposed by [ ] concerning the charter for the Critical Collection Problems Committee (DCID 2/2).

3. We understand that the military services have suggested certain changes in language in DCID 2/6 (Coordination of Intelligence Interest in the East West Exchange Committee) to [ ] staff. We would not object to these minor changes of language if they are raised formally by the services.
